### MY PROFILE

I am a seasoned logo designer with over 7 years of experience in crafting compelling brand identities. I've had the privilege to work remotely with software houses worldwide, delivering unique and impactful logos that resonate with their vision. My passion lies in creating visual stories that leave a lasting impression.

### WORK EXPERIENCE

- 2017 - Present

#### **Kiran Khussa Footwear**

From 2017 to the present, I've been an integral part of the creative team at Kiran Khussa. During this time, I've had the opportunity to design logos, posters, and business cards that capture the essence of the brand, showcasing my expertise in visual identity and brand promotion.

- 2017- Present

#### **Freelancing on Fiverr & Upwork**

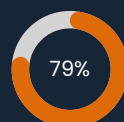

Since 2017, I've freelanced as a logo designer on Fiverr and Upwork, creating diverse logos for global businesses, showcasing my versatility and creativity.

- 2013 - 2016

#### **Graphic Designing Internship**

During my internship, I acquired and applied valuable graphic design skills, enhancing my expertise and contributing effectively to projects.
